Date: 15.08.2023
Coordinators: Mrs. Nagamani, AP/H&S
Mrs. Vijayasree, Creative Head
Mr. Ramu, PD

Venue: Sanskrithi School of Engineering

Aim: Independence Day is a way to remind us of our freedom fighters, their sacrifices and thus holds special importance for the citizens of our country. Independence Day is also a way to celebrate our freedom. The citizens of India tasted true freedom the day our country attained independence.

With patriotic songs filling the air and the marching beats vibrating through the sky, the 77th Independence Day was celebrated with joy, pride, and hope.

Led by a Tricolours flag-bearing squad of the sports and clubs' captains, Dr. Bala Koteswari, Dean, SGI, hoisted the flag, followed by the singing of the national anthem.

The students put on colourful and energetic performances, that included classical dances, inspiring speeches, fan drills, and gymnastics.

Proudly this Independence Day celebration at SGI was entirely constituted and performed by girl students, a testament to the statement in ***Honorable PM's address today, "The one thing that will take the country forward is women-led development."***

Continuing to work towards a flourishing India.

Jai Hind.
