

# SANSKRITHI SCHOOL OF ENGINEERING

EAMCET CODE  
**SSSE**

# INSPIRED BEGINNINGS

Sanskriti owes its inspiration to the edifice of spiritual, social and economic development - Bhagawan Sri Sathya Sai Baba. Encouraged by His mission to provide free value-based education to all, the Sanskriti Educational Society was incorporated in 2010, which manages the Sanskriti School of Business and Sanskriti School of Engineering.

Since then, over 1200 students have graduated from the portals of Sanskriti, with an annual count of 300 students under the Bachelor of Technology programme.

Sanskriti has established itself in the education scenario by providing affordable values-based, quality education, along with international exposure via its numerous associations/ tie-ups.

Spread across 40 acres of tranquility and greenery in Puttaparthi, the college provides day scholar and residential facilities.

Puttaparthi is the center for the SRI SATHYA SAI district and the spiritual destination of Prashanthi Nilayam, the Abode of Peace which attracts millions of global devotees. Sanskriti Group of Institutions is a magnificent, eco-friendly, and well-connected campus .

With its student-centric approach and innovative blend of modern and traditional styles of learning and architecture, the campus is the perfect destination for innovative ideas and realization of dreams.

Prashanthi Nilayam

# VISION

To develop dynamic and socially responsible engineers possessing wisdom, positive attitude, and an impeccable character. Hallmarks will be the innovation, initiative, and teamwork the ability to anticipate and effectively respond to change and to create opportunities.

# MISSION

- The college is devoted to serving the society and the nation by providing quality education, and skill development programs thereby enabling the students to become skilled engineers with the right kind of knowledge.
- Committed towards setting new benchmarks of excellence in technical education with emphasis on research & development, innovation and services to society, industry, and the world.

## VISIONARY TEAM

SSE is all about innovative thinking, leadership and constructive impact. We are poised to build on our vision of becoming one of the top-rated engineering colleges in Sri Sathya Sai district.

**- Mr. B. Vijay Reddy, Chairman, Sanskrithi Group of Institutions**

Our programs are designed to promote academic excellence, nurture innovation and create thought leaders who become the next-gen positive change drivers.

**- Mr Pavan Reddy, Secretary, Sanskrithi Group of Institutions**

We are cognizant that our success arises from the joint endeavours of our talented students, dedicated faculty and continued confidence of recruiters in the skills of SSE graduates.

**- Mr. Raimund Rittnauer, RISE GmbH, Austria**

We encourage our students to capitalise on every learning opportunity through a blend of coursework, projects, internships, workshops to prepare them for their future careers.

**- Mr. Paul Spiesberger, RISE GmbH, Austria**

# RIT

RISE Institute of Higher Technologies program is the unique training program offered under the collaboration between RISE and SSE. Along side with hands-on training on par with international standards, students under the RIT program get internship /projects and higher study opportunities sponsored by RISE & Vienna University

**First & Only college in India to have international software company RISE office cum research centre**

## INTERNATIONAL ASSOCIATION WITH

RISE (Research Industrial Systems Engineering) an internationally acclaimed and emerging European IT leader has been associated with Sanskrithi, since the beginning, working closely on research, training, technical & technological support. The RIT program is the flagship program at the School of Engineering. Local Chapter with IAESTE which facilitates the international students & faculty exchange program for training, research, higher education, and employment.

## A CELEBRATED COLLABORATION TOWARDS EXCELLENCE

**IAESTE** INTERNATIONAL STUDENT  
EXCHANGE PROGRAM

SSE is one of the few institutions in South India to have a Local Chapter with International Association for the Exchange of Students for Technical Experience, commonly referred to as IAESTE. It serves as a platform for students' exchange for technical work experience abroad via paid technical internships and job listings.

## Foreign Faculty and Programs Under RIT

**Mr. Paul Spiesberger, RISE**

**Mr. Enno Stubler, RIT Faculty**

**Mr. Alexander Waltergrass**

**Mr. Raimund Rittnauer, Vienna University**

# Certification Courses

The joint venture with various organizations facilitates the students as well as the faculty to keep pace with the latest technologies pertaining to their chosen field of studies. Our MoUs with various Academic Partners offers plenty of value-added certificate programs where in the students are getting trained well. Experts visit the campus on a regular basis and our students gain knowledge through the value-added program, which will enable them to face the formidable challenges of the future.

# Industry Connect

Industry Connect focuses on building synergies and meaningful relationships between business leaders and students who are going to step into the corporate world. Sanskrithi invites several industry professionals/subject experts on a regular basis to interact with students and guide them on various aspects that will make the transition from Campus to corporate smooth and meaningful. Besides mentoring, these industry connections offer training, research, seed capital, internship and recruitment opportunities.
